ABOUT US

Driving Innovation in the Pharmaceutical & Chemical Industry

SKOTMARK Speciality Chemicals Pvt. Ltd., established in 2019, is a trusted Manufacturer, Supplier, Trader, and Exporter of Pharmaceutical Raw Materials, Active Pharmaceutical Ingredients (APIs), Excipients, Intermediates, and Specialty Chemicals.

Formerly known as Chem-Bond Research & Innovation, the company has built a strong reputation for quality, reliability, and customer satisfaction across the Pharmaceutical, Chemical, Nutraceutical, Food, and allied industries.

Our commitment to excellence, innovation, and ethical business practices has enabled us to become a preferred sourcing partner for customers across India and international markets. We continuously strive to provide high-quality products that meet industry standards while ensuring timely delivery and competitive pricing.

We specialize in the manufacturing, sourcing, and supply of pharmaceutical ingredients, specialty chemicals, food-grade chemicals, intermediates, and excipients used in various formulations and industrial applications.

As a customer-focused organization, we are dedicated to providing customized solutions that meet the evolving needs of our clients. Through continuous research, innovation, and strong industry partnerships, we remain committed to delivering value and maintaining the highest standards of quality and service.

We are interested in developing long-term business relations with your esteemed organization. For inquiries, quotations, and product requirements, please feel free to contact us.

Looking Forward We look forward to your valuable inquiries and the opportunity to establish a successful and long-term business relationship with your esteemed organization.
